IMPORTANT TRAFFIC INFORMATION FOR UPCOMING CARDINALS GAME

GLENDALE, Ariz. – Cardinals fans and regular Loop 101 commuters are being advised of heavy traffic expected on the Loop 101 from Northern Avenue to Camelback Road Monday evening, Nov. 10.

Cardinals fans need to review the specific parking and traffic instructions on the back of parking passes, as well as be aware of the suggested routes.

“Fans should arrive early and pack their patience,” said Glendale Senior Principal Traffic Engineer Debbie Albert. “Commuters who typically use Loop 101 should consider using an alternative route home between 3:30 and 6:30 p.m.”

Maps of parking lots and traffic routes are available on Glendale’s sports and information website www.glendalesgotgame.com.

To safely move pedestrians in the area, 95th Avenue west of the stadium and Maryland Avenue between 93rd and 95th Avenues will be closed to vehicle traffic.

The city of Glendale has partnered with ADOT to ensure a smooth traffic flow for the stadium’s events. Visitors are encouraged to call 511 for updated traffic information.

Glendale Police will be directing traffic to establish a safe and steady traffic flow.

Follow traffic signs for direction. Glendale Police would also like to remind fans to have fun, but never drink and drive and to always designate a driver.
